

BERAT ERDOĞAN

AI CREATIVE SPECIALIST | ART DIRECTION & MOTION

Istanbul, Türkiye · Open to remote / full-time · +90 545 459 9116

losberat@icloud.com · beraterdogan.studio · linkedin.com/in/beraterdogan

Junior Art Director combining generative AI, visual design and short-form video production. Develops branded content from brief and visual exploration through AI generation, iteration and Adobe finishing. Agency experience across parallel brand accounts, alongside end-to-end design, development and launch creative for two independent AI-powered iOS apps.

EXPERIENCE

ALTAVIA DEKATLON

2026 - Present

Junior Art Director

- Create AI-assisted campaign visuals and social content for brands including Toshiba, Trendyol, Yatsan, Pek Food and Odeabank, adapting to distinct briefs and brand guidelines.
- Combine prompting, first-frame development and image-to-video generation with After Effects and Premiere Pro editing; refine product details, composition and visual consistency.
- Develop alternative openings, scenes and formats from a core concept; revise assets with creative-team feedback while managing concurrent brand work.

KASTEN KOLEKTİF

Dec 2024 - Dec 2025

Visual Designer

- Developed exhibition identities and visual narratives across print and digital touchpoints. Used AI-assisted concept development and coordinated visual deliverables across the team.

YUP AGENCY

Jun 2024 - Sep 2024

Visual Designer

- Translated creative briefs into social campaign visuals, motion graphics and short-form video, maintaining brand consistency across platforms.

NOTIVENT APP

Jun 2023 - Oct 2023

Digital Designer

- Designed mobile-app launch visuals, App Store promotional assets and digital marketing content.

TUS BODRUM

2023

Freelance Brand Designer

- Created a visual identity spanning logo, colour palette and typography, with seasonal social content.

INDEPENDENT APPS

KOLPA AI & LUMIO · Solo Developer & Designer · 2026 - Present

- **Kolpa AI:** Built and published an AI message-analysis iOS app. Led UX/UI, App Store positioning and launch creative, including TikTok content and hook exploration.

- **Lumio:** Built and published an AI journaling app for English-speaking audiences. Combined product design, SwiftUI development and launch assets using an AI-assisted workflow.

TOOLS & CREATIVE SKILLS
